New Business:

A. Consider Approval of purchase with COVID funds, new curriculum to complete already purchased curriculum for K-5 Reading Wonders and Go Math.

Discussion on Go Math online curriculum component, which would supplement remote learning. Mrs . Vickrey would like 5th grade to be included. Teachers provided some explanation. Not significant savings between three-year and one year-purchase. Teachers recommended a three-year purchase for grades K-5, as did the principal.

Discussion on Reading Wonders curriculum purchase for grades 3-5 with online curriculum component, which would supplement remote learning. Teachers provided some explanation. There is a significant savings between purchasing for six years versus three years. Teachers recommended a six-year purchase for grades 3-5, as did the principal.

MOTION: Sherianne Schow to use COVID funds to purchase Go Math online curriculum component for grades K-5 for three years and Reading Wonders curriculum for grades 3-5 for six years.
