B: Policy Committee:

Dan feels the whole board needs to read the policies but form a policy committee of 2 board members, Dee & JJ for board recommendation to save time at board meetings. Brooke feels it is the job of the board members to discuss each policy to keep transparency in open meeting laws, and everybody should have a really good grasp. Kim feels a committee would be a good idea and all board members still need to read over the policies. Brianna asked what a committee can accomplish that allows it to be narrowed down. Dan stated that the board would still read the policies, but having a committee would save time of spending too much time discussing in a board meeting.

Brooke made the motion to not have a committee for policies

No Second.

Motion from Kim Johnston to form a committee

Board Discussion: Dan suggested the school purchase Covid tests for staff. The rest of the board feels that moving forward it is not our job to quarantine, or contact trace, and in passing policy 1910, staff must have a health provider or health dept confirm a test for covid leave.
